

# **DANCING DESIREE (DESIRE')**

**BY MARK MAHAR**

*(Mark Rasmussen, Arr.)*

As Performed for "Careless Moon" Concert/DVD

## Lyrics:

It's just the way, Desire'  
That you dance, you simply sway  
And in that style, that beguiles  
With laughter behind your smile

It was twilight. You made my heart take flight  
Then the hint you're married, that sounds about right  
I tip my hat to the other guy  
For he is probably a better man than I

It's just my way, Desire'  
To be short by a dollar and late by a day  
And you so lovely, when you're dancing  
Desire'

- Instrumental -

It was twilight . You made my heart take flight  
Then the hint you're married, that sounds about right  
I tip my hat to the other guy (and sigh)  
For he is probably a better man than I

That's not to say...in any way,  
It detracts from that fact that you compliment the room  
Like roses in bloom. Now...  
Ladies and Gentlemen may introduce  
The girl for whom this tune was produced  
The lovely, Dancing, Desire'
