

MY HEART SAYS WE

(MY HEAD SAYS WOW)

BY MARK MAHAR

(Mark Rasmussen, Arr.)

From the musical "Sorry Charlie"

Lyrics:

Where MY head goes (heart's sure to follow)
When MY head woes (heart's deep in sorrow)
You merely said, "Hello" (hello).
From that moment on, my heart's been running the show.

My MIND is no longer mine (then who's?)
It's GOT a mind of it's own (that's love)
Heart pumping sweet affections
start when you look in my direction

Heart beats a sigh (my what a feeling)
Head questions why (this is the feeling)
Wait just a dog-gone minute!" (What is it?)
Too late, my heart is caught up in it.

Life was a stage I played my part (an actor?)
My head in charge of my heart (disaster!)
Doesn't much matter now (why's that?)
My heart says, "we" and my head says, "wow"!.

-Instrumental-

Heart beats a sigh (my what a feeling)
Head questions why (this is the feeling)
Wait just a dog-gone minute!" (What is it?)
Too late, my heart is caught up in it.

Life was a stage I played my part (an actor?)
My head in charge of my heart (disaster!)
Doesn't much matter now (porquoi?)
My heart says, "oui" madam, my head says, "wow"!
My heart says wee (you and me) and my head says wow!
(We Wow, and How! That's love...WOW!)
